10. From where do I collect the admit card?

You can get the admit card from KUSOM reception during office hours.

11. What will happen after KUUMAT?

After you get through KUUMAT, you are eligible to apply for KU's undergraduate management programs (BBA, BBIS and BHTM programs). You can contact KUSOM or the affiliated colleges for admission procedure.

12. Is there any weightage of previous performance?

The result of KUUMAT eligibility test will be entirely based on your performance on the written KUUMAT test. The performance on previous academic degrees has no role in the score. However selection in second phase of admission test at respective colleges will incorporate the performance in previous degrees.

13. Is SAT score valid?

KUUMAT eligibility test do not take account of your SAT score. You may submit the score to the respective college during second phase of admission test.

14. When will the result be published?

The date of publication of results is given in the KUUMAT calendar.

15. Can I check status online?

The list of eligible applicants will be published in KUSOM website www.kusom.edu.np.

16. How long the test score valid?

The test score will be valid for the current year only.

17. What is the score one should earn to be eligible?

The score that will earn eligibility is subject to the overall performance of the group. Based on the score of all applicants, the admission and examination committee at KUSOM will decide the cut off range for eligibility.

18. What is the score that ensures admission?

There is nothing like cutoff point that ensures admission. KUSOM and the affiliated colleges will have their own admission process for selection of the candidates. You will be eligible to apply only after you have passed KUUMAT.

19. Will the score of test be disclosed?

The test scores will not be disclosed. The KUUMAT result will only indicate if you are eligible to apply for KU's undergraduate management program or not.

20. Are calculators allowed?

Calculators are allowed in the test.

21. Is there negative scoring system?

There is system of negative scoring. For each wrong answer, your 0.25 marks will be deducted. That means 4 (four) wrong answers is neutralize 1 (one) correct answer.

22. What if KUSOM or the affiliated colleges do not select you?

If you are not selected by one college, you may apply at other college, or try for the next KUUMAT.

23. Is there any limit of repetition/ trial?

There is no limit to the number of trial. One can attempt before getting admission into the program.
